If there is no goal after 5 minutes the second period of 5 minutes will be played in with 7 players from each team on the field. Hopefully, this will result in a winning team!

**SENIOR TEAMS** - In the event of a draw at full time teams will play extra time of 7 minutes each way. The first 7 minutes teams will be reduced to 9 players, and in the second to 7 players. The golden goal rule is to apply with the first team to score in this period being the winner. If the game is still tied strokes will take place, 5 each, then sudden death if necessary. **Umpires will be allocated to all semi final games, the cost of this will be added to your turf fee and HW will pay those umpires involved.**
